ARDHA - The Incomplete Dream  
a solo dance-spoken word presentation by

# VIDHYA SUBRAMANIAN

ARDHA -

The Incomplete Dream, looks at Radha as the adhara in whom the essence of Krishna is held. Beyond her oft-recognized status as Krishna's lover and his chosen gopi, Radha is Hladini Shakti - the potency that is half of Krishna, their spirits engaged in perpetual Lila Hava. This solo work was born out of a collection of essays contained in the book - Finding Radha, and interweaves the chosen medium of Bharatanatyam with elements of live spoken word. Conceptualized, choreographed and performed by Vidhya Subramanian.
